This may include, but not be limited to injections, biopsies, administration of medications, treatments, and procedures considered medically necessary for the care of my medical condition. I understand that the procedures will be explained to me and that I will have the opportunity to ask questions concerning the associated risks, alternatives and prognosis before allowing the procedures to be performed. I consent to treatment and care provided by a team of healthcare providers, which may include physicians, mid-level providers such as physician assistants, Certified Hyperbaric Technologist, Certified Hyperbaric Registered Nurse, Diver Medic Technologist or advanced care practice nurse practitioners.

**TELEPHONE CONSUMER PROTECTION ACT CONSENT:** I expressly consent to receive telephone calls and text messages from HPG and this FACILITY, its affiliates, agents, vendors or third parties calling or texting on its or their behalf at any number that I provide or that they may obtain from me. Such calls or texts may be made using an automatic telephone dialing system and/or prerecorded or artificial voice and may be made for any non-marketing purpose, including but not limited to: communications about my treatment, medication assistance, insurance benefits or account, appointment reminders, balance due and payment reminders, and debt collection attempts. I understand that text messages are not secured and may be accessed by unauthorized third parties. By authorizing the use of text message communications, I assume the risks of unsecure transmission of my health information. I may revoke this consent to these communications at any time by providing written notice to this Facility.

**PHOTOGRAPHS, VIDEOTAPES, AND RECORDINGS:** I understand that physicians or staff may request to take photographs, videotapes, or other recordings of me for purposes of ensuring proper patient identification or for medical documentation, care, or treatment purposes. I grant permission to take medical photographs of my condition and hereby authorize the publishing or reproduction of such photographs for correspondence with my treating physicians and for teaching/educational purposes. I understand that I will not be identified by name and that my anonymity will be preserved in any presentation or publication. These photographs shall remain a permanent part of my patient record and are owned by HPG. I understand that I have the right to request cessation of recording or photographing at any time.

#### **ASSIGNMENT OF BENEFITS/FINANCIAL AGREEMENTS**

**ASSIGNMENT OF BENEFITS:** If I am entitled to benefits under the Medicare program or any insurance policy or other health benefit plan, in consideration for services provided to me by HPG and this FACILITY I assign, transfer, and convey the benefits payable under such program, policy, or plan for services rendered to HPG and this FACILITY. I authorize payment of benefits directly to HPG and this FACILITY, with such benefits applied to my bill.

**PATIENT RESPONSIBILITY:** I understand and acknowledge that the assignment of benefits does not relieve me of my financial responsibility for charges incurred by me or anyone on my behalf, and I hereby acknowledge responsibility for and agree to pay charges not paid under this assignment, including any coinsurance amounts and deductibles and any charges for services deemed to be non-covered, or not preauthorized by my insurance plan. I agree to provide all known insurance information at the time that services are rendered. If I overpay on my account, I authorize the application of such overpayment to satisfy any outstanding charges I owe for services rendered by HPG and this FACILITY.

**INFORMATION RELEASE:** I authorize HPG and this FACILITY to release all protected health information to my insurance, (including Medicare, if appropriate) and third-party collection agencies to secure payment for services rendered. I also authorize HPG and this FACILITY to release my medical information to my Primary Care Physician, Referring Physician or Other Treating Physician for continuity of my care. **REFERRALS:** I understand that it is my responsibility to obtain any referrals required by my insurance company from my primary care physician or insurance carrier.
